

REMARKS

Applicants, in a phone conversation with the Examiner on January 18, 2005, note an inadvertence as to claim numbering of claims 10-35 due to missing claim 9. In response, original claims 10-35 have been canceled and replaced with new claims 36-61. New claims 36-61 are presented to merely address claim numbering and do not represent a narrowing amendment for purposes of patentability.

Applicant respectfully submits that each of the presently pending claims is in condition for allowance. Such action is earnestly solicited.

Respectfully Submitted,

John A. Parrish
